Training Course: The Art of Human Resources

Training Course code: HR1982 From: 16 - 20 May 2027 Venue: Amman (Jordan) - Training Course Fees: 4200 € Euro

Introduction

The Art of Human Resources is a comprehensive and strategically focused training program that equips HR professionals with the expertise required to manage, develop, and optimize human capital in modern organizations.

In today's evolving business environment, HR is no longer a support function—it is a **strategic partner** driving performance, culture, and organizational sustainability. This program blends **theoretical foundations with practical application**, enabling participants to master the "art" of HR through a combination of strategic thinking, interpersonal excellence, and data-driven decision-making.

Participants will explore key HR domains including **talent acquisition, employee engagement, performance management, HR analytics, and emerging technologies**, while developing the critical skills required to lead HR initiatives that deliver measurable business value.

Program Objectives

By the end of this program, participants will be able to:

- Understand the **strategic role of HR** in achieving organizational success
- Design and implement **effective talent acquisition and management strategies**
- Apply HR **laws, regulations, and ethical standards** in decision-making
- Foster a **positive organizational culture and employee engagement**
- Develop and manage **performance management and employee development systems**
- Apply **negotiation and conflict resolution techniques** in HR contexts
- Explore and adopt **innovative HR practices and emerging trends**
