Logistics Mastery: Achieving Excellence in Supply Chain Management

19 - 23 July 2027
Kuala Lumpur (Malaysia)

Conference:
Logistics Mastery: Achieving Excellence in Supply Chain Management

Conference code: CO235179 From: 19 - 23 July 2027 Venue: Kuala Lumpur (Malaysia) - Conference Fees: 6300 Euro

Introduction:

The Logistics Mastery: Achieving Excellence in Supply Chain Management Conference emphasizes the synergy between workplace safety and logistics excellence. It highlights safety as a moral imperative and logistics as vital for efficiency and cost savings. Over 10 days, participants will explore workplace safety, compliance, sustainable logistics, automation, and inventory management. Through expert insights, workshops, and case studies, attendees gain strategies to enhance organizational performance. The conference aims to merge safety and logistics for a safer, more efficient future.

Objectives:

- Enhance understanding of workplace safety regulations and chemical hazard management.
- Equip participants with strategies for optimizing logistics and supply chain management.
- Explore the role of technology and automation in logistics efficiency.
- Share best practices in inventory management and resource planning.
- Foster a culture of safety and excellence in the workplace.

Target Audience:

- Safety and Health Professionals
- Logistics and Supply Chain Managers
- Warehouse Managers
- Operations Managers
- Environmental Compliance Officers
- Procurement Professionals
- Quality Assurance Experts
- Sustainability Practitioners
- Anyone interested in workplace safety and logistics optimization
