Conference: Power, Influence, Politics and Negotiations

Conference code: CO8263 From: 28 February - 4 March 2027 Venue: Manama (Bahrain) - Conference Fees: 5150 € Euro

Introduction

This course focuses on developing personal leadership identity to enhance project success. It emphasizes leveraging interpersonal skills to positively influence others, even without direct control. Key topics include leadership traits, styles, and behaviors, along with their impact on motivation, team dynamics, and trust. The course also explores negotiation techniques, including influence tactics, personal power, and organizational politics, to secure project needs. Participants will learn to integrate these concepts to effectively lead projects while maintaining integrity.

Objectives

- Learn practical techniques to enhance their project leadership skills
- Exercise a wide range of concepts to enhance their power and ability to influence others
- Manage corporate politics at the project level as well as the senior management level
- Master forms of power and evaluate strategies to increase their total power to make a project succeed
- Identify principles, guidelines and common methods of negotiation on projects
- Develop negotiating strategies that focus on interests and common goals of projects instead of positions

Target Audience

- Project Managers and Senior Project Managers
- Project Coordinators and Project Team Leaders
- Program Managers and Portfolio Managers
- Construction and Engineering Project Leaders
- IT Project Managers and Delivery Managers
- Business Analysts involved in project delivery
- Team Leaders and Supervisors working in project environments
- Professionals involved in stakeholder management and coordination
- Professionals responsible for project planning, execution, and control
- Individuals seeking to develop leadership, influence, and negotiation skills in projects
- Emerging project leaders aiming to strengthen interpersonal and leadership capabilities
- Professionals working in matrix organizations with limited direct authority
- Anyone responsible for managing teams, influencing stakeholders, and driving project success
